

## Your LaunchPad Application

Here, you can work on, revise, save and submit your LaunchPad application. Save a draft and return to finish it later—as many times as you need. Just remember to click “Save Progress” before closing your browser. As always, however, we encourage you to also save a text document (Word, Google doc, etc.) as a backup, just in case.

Once you’ve completed your application, click “Apply Now” and that’s it. You’re off to the races. You’ll receive a confirmation email with a copy of your submitted application. Good luck!
